

New Trend of Locker

LOCKER ABS

- Rust & Corrosion resistant
- Sturdy and Strong
- Modular
- Elegant
- Variant Lock system & Color

KATALOG

ABS LOCKER

ABS locker merupakan sistem locker yang modular dan memiliki ketinggian dan ukuran yang standar. Dengan adanya sistem yang modular dapat memudahkan untuk pemasangan dan penggantian komponen. ABS Locker ini juga menjadikannya pilihan tepat, terutama dalam lingkungan kelembaban tinggi seperti kolam renang, water theme parks, spa, ruang ganti baju dan masih banyak lagi. Produk Locker ABS anti karat, anti korosi, anti benturan, dan mudah dibersihkan/dicuci.

- Knock down structure
- No need any screw
- Easy to assemble

TO CREATE RENOWNED DIY LOCKERS BRAND THE WORLD OVER.
TO CREATE A BETTER LIFE FOR THE PEOPLE

Smart Outside **Generous Inside**

Tentang Kami

Kami merupakan produsen Locker berbahan dasar ABS yang telah berpengalaman selama lebih dari 25 tahun. Saat ini Locker berbahan ABS telah menjadi trend terbaru untuk menggantikan fungsi locker storage berbahan metal dan kayu. Locker berbahan ABS hadir dengan pilihan warna yang dapat disesuaikan atau dikombinasikan sesuai keinginan anda, serta pilihan kunci pengaman.

R & D Department

Renowned SAB Oriented, Market Demands Oriented
Experienced engineer in marketing and researching
We develop the knock-down locker products
Specialty CO2M & USA projects service
SAB Friendly theory

Our Advantages

Marketing experience in many years let us know customer's need better
Strong R & D team supports us to cover the customer's need in 100%
High efficiency production ability meets the need of the worldwide customers
Professional QC team for the strict control from purchasing materials to inspecting quality
Experienced sales team supplies customized services for our every customer

ABS i LOCKER

Adjustable Shelving

Double Hinge Structure

Mirror Frame

Multi Function Box

Foldable Hanger Rod

Patented Designs : DIY

Hinge Structure
Locker structure — Mortise and tenon joint
No Need screw for installing

Materials :
ABS Plastic, Recyclable, Eco-friendly
